**STREETCUTS**

Utility Company Name: \_\_\_\_\_

Job Number# \_\_\_\_\_

Supervisor's Name: \_\_\_\_\_

Contact Number: \_\_\_\_\_

Address / Location of Cut: \_\_\_\_\_

Date of Cut: \_\_\_\_\_

Estimated Date of Repair to be Completed: \_\_\_\_\_

All cuts need to be fixed back in these steps:

1. Backfill with gravel & compacted
2. Pour concrete back , leave concrete 1 inch & half inch below blacktop
3. Put blacktop in making it 3 1/4 inch above the cut. So when blacktopping it will compacted down level.
